This form is for companies and corporate entities. Submit this form based on your subcontractors' invoices i.e. amounts paid to research organisations and organisations that disseminate information¹, to claim an additional expense deduction for R&D activity (under the Act governing an additional deduction for R&D expenses (Laki tutkimus- ja kehittämistoiminnan lisävähennyksestä vuosina 2021–2027). Enclose a written description of your research and development in free text (for more information, see the instructions for completing the form).

Organisations conducting research or organisations that disseminate information, and the amounts paid to them (their invoices) as R&D expenses.

Name	Business ID	Date when contract was signed (ddmmyyyy)	Total expenses €	c

The company has received direct financial support from the State of Finland or other public subsidies for its R&D activity. (If your company has received the above support, enclose a free-text account to indicate how the financial support and the claimed amount of the additional deduction are matched. Fill in the table below to show the part of the support that affects the additional deduction.)

	€	c
Amounts paid to organisations for research or for the dissemination of information as subcontractors' invoices.		
Direct support from the State of Finland, and other public subsidies, directed to subcontractors' invoices for R&D		
Other amounts affecting the additional deduction		
The additional deduction is claimed on the basis of: paid expenses, net of received financial support and other similar amounts		
The additional deduction claimed ²		

Enter the additional deduction on the appropriate line on the company's income tax return:
 Form 6B or 6U: under "Claim on additional deduction for research and development".
 Form 6C: under "All other deductions".
 Form 5 or 6A: under "Deductible expenses not recorded in the accounts".
