

Incomes Register Unit
P.O. Box 1
FI-00055 INCOMES REGISTER

You can use this form to submit a new earnings payment report, correct a previous report or entirely cancel a previous report. You can report the payments made to a single income earner on the same payment date. Use this form also when a foreign payer or income earner is connected to the transaction, you act as a substitute payer, or are submitting recovery data or information on unjust enrichment. More information is available in the instructions for filling in the form.

Fill in the identifying details at the top of every page. Always report the **type of action**, **pay period** and **payment date**. The **payer's report reference** identifies the report. If you are correcting or cancelling a previous report, enter the report reference of the previous report. If you are submitting a new report, leave the field blank; then the Incomes Register creates a reference for your new report. You can also generate a report reference yourself (for allowed characters, see instructions). However, if the payer has no ID, leave the field blank.
